Subject: Draft Talking Points for Ute Tribe Meetings

Attached are some draft talking points for the meeting with the Ute Tribe's Business Council on Wednesday. The talking points assume that the Business Council and their attorneys are primarily interested in discussing the November 8 letter they sent to Janet McCabe.

The Business Council is also meeting with OMB tomorrow, so these points may be useful for that meeting as well. However, it may be better to tell the Council members that we can address

the specific concerns in their letter at the Wednesday EPA meeting.

Ex. 5 - Deliberative Process

We can further discuss at our prep call tomorrow, after the OMB meeting.
